Santa® Snow

Weight: 13 oz - 368 g

Weight: 18 oz - 510 g

Santa® Snow creates a layered, textured effect. Spray on windows and mirrors for a holiday look. Lightly frost centerpieces and other decorative arrangements, tips of evergreen branches, and wreaths. Use with Santa® Christmas Stencils.

- Spray snowy highlights on trees and wreaths
- Contains no solvents
- Easy cleanup

Recommended uses

Use on evergreens and glass surfaces. Designed for indoor use.

Santa® Christmas Stencils

Santa® Christmas Stencils contains 32 stencils in varying sizes. These traditional Christmas designs include Santa, a tree, ornament, snowman, candy cane and more. They can be used singly or in combination to create festive designs. Use with Santa® Snow or Santa® Snow Frost. For craft items, use them with Champion Sprayon® enamel paint.

- Decorate windows, mirrors, crafts
- 32 traditional Christmas designs
- Reusable

Recommended uses

Use at home or school on mirrors, windows, sliding doors or craft surfaces. Use to decorate shop windows.

Tree Preserve

Weight: 16 oz - 473 ml

Tree Preserve enhances the beauty of your natural Christmas tree. One cup in every gallon of water in your tree stand speeds absorption and prevents drying. Needles stay green and fresh.

- Extends the life of a fresh cut Christmas tree
- Helps keep needles from drying
- Use 8 ounces per gallon of water

Recommended uses

Use with fresh cut Christmas trees.

Santa® Holiday Scents

Weight: 9 oz - 255 g

Santa® holiday scents bring the holiday season to life. These sprays quickly and easily fill your room with traditional Bayberry, Cinnamon, Pine or Vanilla aromas.

- Enhance artificial trees and decorations
- Long-lasting fragrance
- Four holiday scents: Bayberry, Cinnamon, Pine and Vanilla

Recommended uses

Use to fill a room with holiday scents that last for hours. Use to add a realistic touch to artificial trees and decorations.

Santa® Sno Blower®

Weight: 16 oz - 454 g

Santa® Sno Blower® delivers a natural look, highlighting the tips of evergreen branches, accenting wreaths and centerpieces. It's the choice for larger applications of spray snow, but is not designed to fully flock trees. Our unique spray nozzle provides greater directional control, focuses the spray, and minimizes cleanup. Removes easily with a glass cleaner and a cloth or squeegee.

- Highlight evergreen branches, wreaths and centerpieces
- Unique spray nozzle
- Contains no solvents
- Easy cleanup

Recommended uses

Ideal for touching up artificial trees and wreaths. Designed for indoor use.

Santa® Ice Crystals

Weight: 5 oz - 141 g

Santa® Ice Crystals add a fascinating, decorative icicle effect. Initially clear when sprayed, the spray will crystallize and become translucent within minutes. Wipes off with a cloth and warm water or glass cleaner containing ammonia or alcohol.

- Creates an icicle effect
- Crystallizes on any glass surface
- Easy cleanup

Recommended uses

Use on windows, mirrors or any glass surface. Enhance glass candlesticks and centerpieces.

Santa® Snow Frost

Weight: 9 oz - 255 g

Santa® Snow Frost creates a powdered effect. Designed especially to decorate windows, mirrors, and other glass surfaces. While more opaque than Ice Crystals, it allows light to filter through. Use with Santa® Christmas Stencils. Quick, easy cleanup with a dry paper towel.

- Decorates windows
- Use with Santa® Christmas Stencils
- Easy cleanup

Recommended uses

Use both indoors and outdoors on windows. Use on mirrors and other glass surfaces. Test before using on plexiglass, plastic, or painted surfaces.

Santa® Plastic Winter Snow

Net wt. 6 oz. (170 g)

Santa® Winter Snow adds a delicate touch to holiday decorations. Sprinkle fine, light flakes on craft projects, holiday decorations, miniature village scenes, model railroads, and centerpieces. Ideal for store display windows.

- Enhances holiday decorations, craft projects
- Accents miniature village and railroad scenes

Recommended uses

Use indoors for home and retail displays. Do not decorate in areas where the snow will be exposed to heat or open flame.
