premium Interior/Exterior enamel

Inhibits Rust • Fast Dry

net wt 10.5 oz (297 g)
6 cans per case

Champion Sprayon® Enamel offers a broad range of colors and finishes. This multi-purpose, interior/exterior enamel dries quickly, provides excellent coverage and durability, and resists chipping and peeling. The line includes three finishes in black and three in white, four different metallic shades, a clear coat, and 15 colors in various finishes.

Finish: Gloss, satin, flat and metallic finishes

Dry Time: 8-12 minutes to touch

Cleanup: Mild solvent (mineral spirits, paint thinner)

Use On: Metal, wood, ceramic, wicker, plaster, and masonry
